1. For your information, the question of the use at Watertown of CIA SF-50's has received thorough discussion and steps have been taken to substitute therefor an appropriate SF-50 particular to Department of Defense rather than to CIA. This appears to be more in keeping with 

2. I appreciate your bringing this matter to our attention and I feel certain that while it is requisite that the SF-50 form be used in connection with consummating personnel actions on certain supplier types under our WOC consultant arrangement, there will be no repetition of the incident you brought to my attention.
